

The Parents of Pupils
at Fort Hill Integrated College

Ref: DP 494

Date: 23 January 2017

Dear Parent

Draft Development Proposal 494 – Fort Hill Integrated College

The Education Authority is considering the publication of the following Development Proposal:

The Education Authority proposes to establish two Autism Spectrum Disorder Centres at Key Stage 3 and one General Learning Support Centre at Key Stage 4 at Fort Hill Integrated College with effect from 1 September 2017 or as soon as possible thereafter.

I have attached a copy of the draft development proposal together with the case for change.

Any representations which you wish to make in relation to this Draft Development Proposal should be returned to me at the address below by Friday 24 February 2017 or email Stephen.Martin2@eani.org.uk.

The Authority will consider all written responses (letter, e-mail, fax) received during the consultation process before making a determination on whether or not to publish a formal development proposal and submitting it to the Department of Education.

It should be noted that any comments offered may be made public under the terms of the Freedom of Information Act.

Thank you for your cooperation with this matter.

Yours sincerely

Mr S Martin
