School Uniform Policy

Introduction

The wearing of school uniform can play a valuable role by: setting an appropriate tone; instilling pride; supporting positive behaviour and discipline; encouraging identity and support for the school ethos; ensuring pupils of all races and backgrounds feel welcome; protecting children from social pressures to dress in a particular way; and, nurturing cohesion and promoting good relations between different groups of pupils. In Fort Hill Integrated College, we also feel that high standards of school uniform support effective teaching and learning.

The day to day running of the school, including the school uniform policy, is a matter for the school Principal, subject to any directions given by the Board of Governors. Any concerns of any group about the uniform policy should be addressed to the Principal in writing but it should be noted that it may not be practical to accommodate fully the concerns of all groups. It should be noted that the freedom to manifest a religion or belief does not mean that an individual has the right to manifest their religion or belief at any time, in any place, or in any particular manner. The school retains the right to balance the rights of the individual pupil against the best interests of the school as a whole.

School uniform

Cost

Fort Hill Integrated College uniform is practical, comfortable, and appropriate and represents excellent value for money. There are a number of local suppliers, including Warnocks and McCalls, , but there is also the option to purchase some items “off the peg”, e.g. white shirts, charcoal grey/black trousers etc.

Pupils leaving during the school year and those leaving in Year 12 are encouraged to donate items of uniform including PE kit to be used for sale on a second hand basis. (This request is included in the Year 12 booklet given out at the Parents’ Meeting). Items of clothing in good condition which are left unclaimed at the end of the school year are either forwarded to the PE department to use as “spare kit” or are washed and kept for second hand/emergency use.

Financial assistance is available through the Education Authority’s School Uniform/ PE Clothing Allowance for certain categories of pupils towards the cost of school uniform and PE uniform. The eligibility criteria are the same as used for free school meals. Applications are made online through the Education Authority website (<https://www.eani.org.uk/financial-help/free-school-meals-uniform-grants/apply-for-free-school-meals-uniform-grants>).

Changes to the current uniform

From time to time there may be changes to the current uniform. This will be done in consultation with suppliers, Governors, staff, parents and the pupils (via Student Voice). A transitional period for phasing out the old uniform and introducing the new one will be allowed to ease the cost involved.

Any proposed changes and reminders of the approved uniform list will be sent to parents at least once a year and normally at the end of the school year. (See Appendix 1). Clarification on certain areas of uniform/appearance will also be communicated to parents at the end of the school year (See Appendix 2) and will be discussed with pupils as needed throughout the year. There are also reminders in the pupil homework diaries and in the Code of Conduct signed annually by parents and pupils (See Appendix 3).

The up to date uniform list is also printed on the school web site, in the “First Days” booklet, given to all new pupils and is included in the school Prospectus available to all prospective pupils.

Health and Safety

The health and safety of pupils wearing the school uniform is of paramount importance.

- The wearing of boots, canvas shoes and ballet type shoes is not allowed for health and safety reasons.
- No facial piercings. Any ear piercings should be studs only.
- A summer version of the uniform is permitted during Term 3 and September. In cases of extreme weather, a degree of flexibility may be permitted.
- The school regulation hooded-top can be worn in school and classrooms, in addition to and under the blazer, with hoods down when inside. School scarves can be worn in the school building, but not in classrooms.
- PE is a compulsory part of the statutory curriculum and clothing and footwear are important aspects of safety in PE. A separate PE uniform is included in the uniform list to allow pupils to wear a change of clothing for reasons of hygiene and to ensure that the clothing is suited to the physical activity. School is sensitive to the needs of pupils who may have concerns about body image and a degree of flexibility is permitted in this case e.g. wearing track suit bottoms or leggings instead of a skirt/shorts/skort.

Non-compliance with the school uniform policy.

Where a pupil is not adhering to the school uniform policy, discreet enquiries as to why this is the case will be made in the first instance as there may be a valid reason e.g. it may be lost, stolen or damaged. The pupil will be given an opportunity to address the issue and where necessary parents will be contacted for their support and cooperation e.g.

- A lost/stolen or damaged item – a reasonable time will be given for the item to be replaced.
- Inappropriate clothing e.g. a non-regulation hooded top – pupils will be asked to remove it and refrain from wearing it again. The item may be confiscated until the end of the school day.
- Inappropriate jewellery – pupils will be asked to remove it and will be advised against wearing it again
- Inappropriate hair colour – this will be addressed with the pupil and parents contacted re returning it to an acceptable standard.
- Excessive make-up/nail varnish (involving attachments or extensions) – pupils will be given an opportunity to adjust or remove it.
- Tattoos which are visible must be covered.

At all times the support and cooperation of parents in maintaining high standards of uniform and appearance, on the way to school, in school, on the way home from school and on school based activities, is essential. Pupils who fail to comply with school on uniform and appearance will be dealt with using the range of disciplinary options open to the school. The decision of the Principal and Governors is final in all matters of uniform policy.
